Jim Baker mentioned the fundraiser for the Phyllis Knight Walk/Run and how the City could possibly donate. Discussion was held. The Mayor gave an Application of Funding to Mr. Baker to have the fire department complete and submit to the City so that information can be supplied for a possible Municipal Order approval.

Mary Watson referenced Middletown's Main Street beautification for an idea for Lyndon's Core Business Area Beautification. She asked if the City can find out what company did the work for Middletown. The Mayor stated Metro and the State funded most of the work. The Mayor said she will get that information for the next Caucus for discussion.

Becky Ricketts asked the Mayor if the Council could get a copy of the crime reports each month from the Chief of Police. The Mayor added Metro also responds to calls so the Graymoor – Devondale Police Dept. report would not be fully accurate on all reports called in. The Mayor said she will show the council the reports she receives.

Betsy Kramer added that she would like to see a link to the Neighborhood Watch groups on the City's website to keep residents aware of what information they have on recent crime in their areas. The Mayor considered and also mentioned a link to the Metro Watch website through the Metro Police Department. Ms. Kramer also asked if the City could add more mph signs in Lyndon, preferably to Wood Rd. The Mayor stated there is a certain measurement between signs but will consider.

Mary Watson asked what happened to the JCPenney photos the council had made several years ago. The Mayor stated they were in the office yet the council members have changed since then. There are new photos of the current council on the website.
