NEWSLETTER

October 2019 Vol. 4

UPDATE FROM COUNCILWOMAN MARILYN PARKER

I would like to take a moment and update you on the status of a few items that directly affect Lyndon residents. I was able to secure \$155,000 in the metro budget for the paving of Lyndon Lane from Shelbyville Road to New LaGrange Road. Metro Public Works is hopeful that the project will be completed prior to the end of the calendar year, but please keep in mind these construction schedules are subject to many factors that are out of our control. I am also working with Mayor Hagan and the City of Lyndon to address the chipping paint and unsightliness of the Lyndon Lane bridge near Wood Road. Metro public works is currently exploring options to remove the chipping paint and address the issue. Finally, one of the biggest issues we typically hear from

residents is the problem with speeding on neighborhood roads. Last year my office purchased a portable smart radar machine for LMPD to use within District 18. This has been a great tool for the police to not only help slow people down, but also to provide data to our officers helping to more efficiently direct police resources to problem areas where they can write tickets. If you notice an area where speeding is a persistent problem, please contact me at Marilyn.Parker@louisvilleky.gov or by phone at 574-1118 and I will have the smart radar machine placed there. It is an honor to serve as your representative on the Metro Council, please don't hesitate to reach out if I can ever be of any assistance.

Councilwoman Marilyn Parker
District 18

FOOD PANTRY

This is just a reminder that Covenant Neighborhood Ministries Food Pantry operates out of Lyndon City Hall on the 1st and 3rd Wednesdays of each month from 11:00 a.m. to 2:00 p.m. The City of Lyndon has been an outstanding partner. We very much appreciate the support we have received from the Mayor and his staff as well as the Lyndon City Council.

As always, the only criteria for the program is that you live in the area and need food. If you know someone else who needs food, please let them know about the pantry.

We are a Dare to Care food dispensing site. We also receive donations of non-perishables from many sources such as churches, businesses, grocery stores and from people that just want to give. If you would like to make a donation, you can drop off non-perishables at Lyndon City Hall during their normal business hours (Mon. - Thurs. 8 a.m. - 4p.m.; Friday 8 a.m. - 1 p.m.)

Thank You,
Al Saunders
Program/Fundraising Manager

LEAF REMOVAL

Fall is officially here and it's almost time for your leaf removal service. Look for your notices with your scheduled pick-up dates to be in mailboxes mid to late October. The past several years the City has provided two service dates per resident, one in November and one in December. The two dates have proven to be effective for everyone regardless of where your street falls on the list. Your city taxes pay for this service and we want you to participate. PLEASE READ your notice for rules.
